# Olive Care

## European Luxury for Hands & Body

In ancient times the olive was considered a present from the gods with healing properties. Even the earliest records of Hebrews, Egyptians, Greeks and Romans speak of the oil being used for body care.

Olive Oil is full of antioxidants to provide strong anti-aging properties. A nourishing moisturizer delicate enough for sensitive skin. Great for daily skin and body care.

### Olive Hand & Body Oil

An exquisite oil for hands and body enhanced with Squalan & olive extracts from Tuscany. Can be used as massage oil, bath oil or to enrich a neutral cream.
