LCN Exceptional Education

Since 1985 LCN has been developing professional nail technicians around the world by training them in the art of light cured artificial nails. Today LCN has expanded their leading edge instruction to include Manicures, Pedicures, Pedique, Waxing, & Permanent Make-up, to both beginner & advanced beauty professionals.

Inge Patton
Founder, LCN Canada
CEO / President European Institute of Esthetics

Considered a pioneer in Germany's nail industry, Inge Patton operated 2 successful nail salons, in the early 1980's. Inge's quest for quality nail products, led her to the German In-ventor of LCN – Light Concept Nails.

Inge quickly began to play an integral part in the launch of LCN products in Germany. She became LCN's foremost educator, developing manuals and training nail technicians and educators around the world. In 1989 Inge Patton brought her expertise, boundless energy and enthusiasm for the nail industry to Canada.

Inge has not only advanced the entire North American nail industry, but has also worked extensively with LCN Partners in Europe, Asia and the Middle East.

Today, Inge Patton along with her team of dedicated professionals, operates a national distributorship and the European Institute of Esthetics in Edmonton, Alberta.

LCN is represented by professional wholesale beauty suppliers throughout all of Canada.

Student Comments

*"I adored the class and thought it was very well taught.
I love the product, it is really easy to apply."* - **Shelly**
