Product recommendation / Use

- Unisex foot care for dry, stressed and demanding feet
- For tired and heavy feet and legs

Product description

Citrus Foot Bath Crystals

Foot bath crystals containing sea salt, lemon grass and lemon peel oil. This foot bath has a deodorizing and vitalizing effect.

Lemon grass:

A main flavouring ingredient in the asian kitchen. Its taste comes closer to the taste of lemon peel than lemon juice. The lower, thicker part of the stem is used only. However, the complete stem should be soaked before using it. By eating it a slow digestive system is being accelerated; it's oil soothes hot, sweaty feet. Heat up the oil and you will have a perfect room deodorizer.

Ingredients

Citrus Foot Bath Crystals

MARIS SAL (SEA SALT), PARFUM (FRAGRANCE), CITRUS MEDICA LIMONUM (LEMON) PEEL OIL, CYMBOPOGON CITRATUS LEAF OIL, CITRUS AURANTIUM DULCIS (ORANGE) PEEL OIL, CITRUS AURANTIFOLIA (LIME) PEEL OIL, CITRUS GRANDIS (GRAPEFRUIT) PEEL OIL, VETIVERIA ZIZANOIDES ROOT OIL, MENTHA PIPERITA (PEPPERMINT) HERB OIL, LIMONENE, HEXYL CINNAMAL, AQUA (WATER), CI 47005

Application

- A small amount can be added to every foot bath

Citrus Foot Cream

This refreshing Citrus foot cream nourishes and invigorates with selected active ingredients. Lemon grass and lemon peel oil provide this foot cream with a special, pleasant note. Avocado oil and panthenol turn the skin smooth and soft.

Avocado oil:

Avocado oil has a valuable composition of fatty acids with up to 85% of unsaturated fatty acids, mainly palm-, oleic- and linoleic acid. In addition it is rich on Vitamin A and E. This rich oil distributes easily on the skin and is absorbed very quickly. For this reason it is used a lot in high quality lotions and creams. In its countries of origin Avocado oil is a traditional care product to protect the skin from dehydration and turning rough. This is mainly due to the contents of phytosterin and vitamins.

Ingredients

Citrus Foot Cream

AQUA (WATER), PERSEA GRATISSIMA (AVOCADO) OIL, PROPYLENE GLYCOL, STEARETH-2, CETEARYL ALCOHOL, HYDROGENATED COCO-GLYCERIDES, ISOSTEARYL ISOSTEARATE, STEARETH-21, CITRUS LIMONUM (LEMON) PEEL OIL, PANTHENOL, FARNESOL, DIMETHICONE, PHENOXYETHANOL, BENZOIC ACID, LIMONENE, CYMBOPOGON SCHOENANTHUS (LEMONGRAS) OIL, MENTHA PIPERITA (PEPPERMINT) OIL, ETHYLHEXYLGLYCERIN, SODIUM HYDROXIDE, MENTHOL, TETRASODIUM GLUTAMATE DIACETATE, DEHYDROACETIC ACID, POLYAMINOPROPYL BIGUANIDE, CITRAL, LINALOOL, GERANIOL, CITRONELLOL, CI 19140 (Yellow 5)

Application

Apply daily or as needed.

Citrus Foot Mask

A foot mask for dry and sensible skin. Shea butter, squalan and almond oil have a calming and moisturizing effect.

Shea butter:

Derived from the kernel of the Shea nut, which looks very similar to a plum. Shea butter turns the skin supple and nourishes it. Shea butter is rumored to have anti oxidative properties. The addition of Shea butter is especially effective for the skin renewal process in sun- and wind damaged skin.

Almond oil:

Derived from the dried kernels of the almond tree. Indigenous to Asia and the Mediterranean. The oil is odourless with an excellent effect on the skin. Almond oil helps the skin to keep the balance between loss and intake of moisture. Sweet almond oil contains a high amount of vitamins and minerals and relieves itching as well as soothing dry and inflamed skin.

Squalene:

Derived from olive oil, it is very well known for its capability to store moisture. Squalene has a number of positive and attested properties for the skin: it alleviates and diminishes wrinkles and sun damage; it fills up the skin's own oils; it keeps the skin moist; it generates a protective barrier against wind, dust and negative environmental influences; it prevents rough patches and dryness in the face, on elbows, hands, knees and feet.

Ingredients

Citrus Foot Mask

AQUA (WATER), BUTYROSPERMUM PARKII (SHEA BUTTER), GLYCERIN, SORBITOL, STEARETH-2, PRUNUS AMYGDALUS DULCIS (SWEET ALMOND) OIL, HYDROGENATED COCO-GLYCERIDES, CETEARYL ALCOHOL, ISOSTEARYL ISOSTEARATE, STEARETH-21, SQUALANE, PHENOXYETHANOL, PARFUM (FRAGRANCE), LIMONENE, CITRUS MEDICA LIMONUM (LEMON) PEEL OIL, ETHYLHEXYLGLYCERIN, ETHYLHEXYL METHOXYCINNAMATE, DIETHYLAMINO

HYDROXYBENZOYL HEXYL BENZOATE, DISODIUM EDTA, CITRAL, LINALOOL,

Product description

Citrus Fresh- Up Spray

Refreshing leg- and foot spray with a nourishing and revitalizing effect. Plant oils nourish the skin with a high amount on linoleic acid. In addition horse chestnut extract strenghtens the connective tissue.

Linoleic acid:

This unsaturated fatty acid is commonly used in cosmetics as thickening agent. Research has shown that linoleic acid has an effect on the cell regulation as well as the repair of the skins barrier. In addition it has an antioxidant and anti-inflammatory effect.

Horse chestnut:

The most common form of the horse chestnut extract contains a high amount of aescin as acitve ingredient. This ingredient, also known as escin, is known for its anti-inflammatory effect.

Ingredients

Citrus Fresh- Up Spray

ALCOHOL DENAT., CITRUS LIMONUM (LEMON) PEEL OIL, LIMONENE, RICINUS COMMUNIS (CASTOR) OIL, AQUA (WATER), AESCULUS HIPPOCASTANUM (HORSE CHESTNUT) SEED EXTRACT, PROPYLENE GLYCOL, GLUCOSE, LACTIC ACID, SODIUM BENZOATE, POTASSIUM SORBATE, CITRAL, LINALOOL, CI 19140 (Yellow 5)
